

PETITION TO PRESERVE OUR COMMUNITY PARK

Description of the property to preserve

Shoreline School District property at 2545 NE 200th Street in the City of Shoreline, Washington, Old Kellogg Middle School, now known as Aldercrest Annex. This property is in the northeast corner of the City of Shoreline next to the cities of Lake Forest Park and Mountlake Terrace.

Petition

We, the undersigned, petition the City of Shoreline to work with the Shoreline School District to preserve Aldercrest Annex as a community park. The City of Shoreline's Parks, Recreation, and Open Space Plan (PROS), adopted 2005, acknowledges the area is underserved in community parks. For decades, Aldercrest Annex has served the citizens of Shoreline, Lake Forest Park, and Mountlake Terrace as a place for sports, recreation, family gatherings, and neighborhood events. Aldercrest Annex provides the only place with a ball field, tennis courts, running track and field the surrounding community can use for recreation. We oppose the development of any structure(s), including and in particular municipal jails, which destroys Aldercrest Annex legacy as a community park and adversely impacts the livability of our neighborhood.
